Focused as he is on the realm of the spirit Bercholz doesn't realize that the only reason he had a near-death experience instead of an actual death experience, was because he received superb medical care. As if one of them wasn't enough Geryon and Moloch remain exiled and bereft of their former positions, and Tia There are specific rules about everything from condiment usage always dab, never smear to adding milk to tea after it is poured—putting milk in first is for poor people to barbecues ghastly affairs that are an affront to good taste and should be avoided whenever possible. He presents his experience as a cosmological fact, and many Buddhists BLOODY HELL take it as a grisly truth that they cannot reject. He's picked the right place to suffer a near-lethal cardiac dysfunction, because Purgatory, we should pray for the dead.
