Army and U. Glover knew that was nonsense, and made a promise. Only two children were injured in this crime, so most of the world didn't hear about it; but it got great regional coverage on TV, and two little boys in Jonesboro, Arkansas, probably did hear about it.

While the president acted within his Constitutional powers, he also risks scr
The two nations or regions being compared are demographically and ethnically identical; only one variable is different: the presence of television. In other words, combat didn't drive these men crazy because they were crazy to begin .
As bad as this is, it would be much worse were it not for two major factors. When the crime rate is still at a phenomenally high level, and this is true worldwide.
