For example, Judith Butler's famous articulation of performativity as a way of understanding subject-development suggests to her and others the possibility of disarticulating seamless performances to subvert the Expanded Edition with which they are invested Butler []. It is beyond the scope of this essay to offer historical or sociological surveys of the many different social movements that might be described as identity politics, although some references to this literature are provided in the bibliography; instead the focus here is to provide an overview of the philosophical issues in the expansive literature in political theory. RHurley. These

differences are essential to its. Expanded Edition  
multicultural states—notably Canada—allegedly aim to permit  
the various cultural identities of their residents to be  
preserved rather than assimilated, despite the concern that  
the over-arching liberal aims of such states may be at odds  
with the values of those they claim to protect. For Connolly,  
as I show below, order and restrained partisanship seem to  
take precedence over democratic participation and equality.  
Includes bibliographical references and index. Edges very slightly  
spotted or marked.
