Travels to Japan for a workshop and photographs extensively for his upcoming book. No trivia or quizzes. Insignificant details like these would be forgotten were it not for the significant event that acts like a powerful flash illuminating the dark corners of the mind and preserving every detail in its immediate vicinity. NowsharethestoryToobad. Most people when looking back through their photographic archives will see a positive picture of their past and remember the recorded events fondly, even though reality may have been very different. This item is out of stock. Teaches photography at the American Red Cross.
