This year, Typically, chiropractors in this situation are craving more autonomy in how they practice, more time with their patients, and, most importantly, a way to start a practice without taking on a large debt. They want to feel comfortable and safe, and yes, they want to like you and your staff.

Determine block of time for your office patients and house calls to keep you You can have the swankiest lobby and most up-to-date practices, and patients may or may not notice. Most objections to fees are there: in your own head. You must be logged in to post a comment. PreviousNext. We prefer to project conservatively so that we make sure we have enough cash for unexplained costs. If chiropractic is your first passion but skiing, hiking, fishing, boating, biking, golfing, or hunting is also a passion, then don't miss out on this rare opportunity to work where you play!
