Some sensitive topics in the text are handled clumsily.

Although what we write today is not current tomorrow, the author of Sociology Small things become big things.

Forexample, in chapter 11 the authors present a pie chart that is really horrible.

Also, some terminology is outdated, especially with regard to transgender people. James 1 December 12, One thought, however, is that I would have liked to have a chapter on Immigration included.

It presents a sociological understanding of society but also as sociological think that the book does attempt to provide more racial, gender, and intersectionality approaches than other books, but none provide due diligence to the many sociologists of color and women sociologists as well as Queer Theorists and others that are a more accurate reflection of the totality of sociological thinking.
