Max marked it as to-read May 05, An incredible read, especially for anyone who was bright at young age but questioned a hell of a lot of society's rules.

Whenthe line and bait are of medium size, medium size fish will be caught.

I hope these books help. Likewise, if your opponent wants conquest and if you feel that opponent is not going to stop short of that, then that raises the ante for you as .

The first part requires a lot of background about the main historical battles

book may retain some value as a reflection of Liddell Hart as a historical figure or as a dated picture of the state of military historiography in the early twentieth century. Even if there are specific purposes that are not going to be released to the public, what is it that the government itself wants to achieve?
