It was a peculiar choice. Darwin, of course, wanted his readers to find his photographs convincing.

While this image is notable as the first popular image of Darwin, the extent to which art influenced his work is less clear. Eventually, the sensibilities of art seeped into his work. Huxley offended the clergy twice without cause or warrant. Whether he succeeds remains to be seen. Carustodoit. Search form Search. Darwin never studied art formally, but he was always interested in art and often drew on art knowledge as his work unfolded.
