The journal presents work at the cutting edge of current research, including exciting new studies in untouched subjects or new methodologies. But construction of the final leg between Alice Springs and Darwin will not be without its complications, for much of the desert it will cross is Aboriginal land. An open-source journal that publishes refereed scholarly articles on the arts from a wide range of viewpoints, as well as occasional poetry, black and white art, short stories and book reviews.

Readers will care about the outcome if they relate to why the characters care.

Can you tell us a little bit about your writing? Did being a mother yourself make it easier or more difficult to write this story? Promotes an ideologically and culturally varied view of Victorian society with the inclusion of women, working-class, colonial, and gay and lesbian writers.

Was it difficult switching between writer and editor? Horne took Australian society to task for its philistinism, provincialism and dependence.
