Domestic and International Shipping Options. What I appreciated about this book: 1. Other editions. In particular, the latter chapters in which Barrs discusses particular works have the feel of a defense of his favorite literature, rather than a presentation of their positive aspects for readers' examination. Part three ends with chapter ten, where Stordalen examines the significance of the garden of Eden within Genesis 2-3. Details if other: Refresh and try. About the Author. He is concerned with all kinds of writing.
