Thirty seconds later, Ash will discover his daughter isn't the only one in his family infected, and as his world spins, coming apart at the seams, a team of armed men in biohazard suits bursts into his house. Stepping through her doorway, he expects to find her sitting up in bed, frightened by a nightmare. He read it in such a way that I felt he actually was there and the story was real. If so, why? Yes, but only after they read the first one of course. Apr 23, Terri Shields rated it liked it. No memory of anything after leaving the camp.

But you don't get a choice; they decide who gets to live through the impending got the "this has been an audible presentation" statement and let out a shrill "what??"
