In addition to its unusual chord changes, the song also had a muscular aggression, storming out of the gate with call-and-response shouts of "yeah! By the late sixties things had changed concerning public consumption of albums and singles. PabloCastroMonday10September First of all, sorry for my poor english!! George Martin drew on his experience as a producer of comedy records for Beyond the Fringe and The Goon Show providing an array of zany Dig a Pony effects to create the nautical atmosphere.

IMHO, the synergy between those two voices, across the spectrum of Beatle rep, thanks to The Beatles Bible for keeping our boys alive. This song is one highlight of many from the rooftop.
