He wore shirts until they disintegrated, he loved finding furniture on the side of the road it still makes me laugh to think about the way our living room looked – a hodgepodge of random street finds and he hardly ever wasted. How many times has she already bailed them out? A Short Story on Family Priorities.

He consistently kept tabs on investments in my name and updated me every fiscal year. I understand each and every child I need to learn this needs to learn from themselves and have consequences for their own actions as resulting in losing everything if they fall pick them up, later let them pick themselves up. He spent very little money on clothing and that leads to my next thing –. We consider helping with college to be paying our kuds their inheritance up. I agree. It also pushed me to live simply.
