By the time of Shakespeare, word order had become more fixed in a subject-verb-object pattern, and English had developed a complex auxiliary verb system, although to be was still commonly used as the auxiliary rather than the more modern to have e. But there has also been a certain amount of positive re-branding and reclamation also known as reappropriation of many pejorative words, such as gayqueerqueendykebitchniggeretc, by those very same marginalized segments of society.
