Daniel Grojnowski ed. Je ne crois pas qu'on lui ait jamais rendu justice. The old man, because he is old and a public man, does not protest, but sees himself as amusingly humiliated, not too seriously betrayed, putting up with the shapelessness and commonness that life has visited upon . Phasmefeuille? When the news reached him, Yeats was in Oxford, his table in the Bodleian strewn with their works. That motive is not loosely LInoubliée (*Littérature Française*) (French Edition) lightly attached to the sensuous form, but saturates and is identical with it. But a man is never more impressed by an argument than when it provides unexpected support for opinions he already holds, and Hulme could not have been less than charmed to discover that Petrarch, of all people – the First Man of that Renaissance he blamed so strenuously – already exhibited the symptoms of error that characterised the period, whereas Cavalcanti, an older contemporary of Dante, habituated to the hallowed concept of discontinuity, brought up on Original Sin, had precisely those Imagist qualities, that reluctance to glide romantic image away into abstraction which for Hulme was the index of true poetry.
