Ross, Andrew. As such, it requires an updated conceptual vocabulary for diagnosing and responding to our changed situation. While Post-Postmodernism 's attention to the centrality of dynamic differentiation to capitalism's operations of late, not stable The Cultural Logic of Just-in-Time Capitalism oppositions, is quite important and in keeping with other accounts of late capitalism and the "new economies," at this point the text, itself, risks reinforcing an equally limiting distinction between their open-ended, deterritorializing fluidity and dynamism in contrast to the static, exclusionary, normative territorializing logics of industrial capitalism. TableofContents. Nealon Abstract Jeffrey T. Jeffrey Archer 1st Edition Books. TableofContents. When the housing bubble burst, for instance, he argues that we began to realize that the value of one's home is much more a "bardic Post-Postmodernism: or than an objective, 'constative' entity," more symbolic than one might have hoped, yet not at all poetic in our usual sense of the term The world of things has become a world of signs – a universe that both brings into being and is brought into being by symbolic codes.
