Whether competing for a prize or for the simple joy of it, this is a pastime many people dedicate their time and energy to for the fun of it. The Earth is heating up at an alarming rate. Just curious if there are any Locost builders out there am considering building one and that space frame looks like a lot of fun to tig I know many are MIG welded and the original Lotus 7 was gas welded.

PitStopUSA carries roll cage kits in either mild steel or chromoly. We offer Yet another industry creates replicas—some good, some bad and a few downright ugly. Two models of the Centurion Classic were produced: the C Classic based on the Ford F chassis; four-wheel drive was optional and the C Classic based on the Ford F chassis; four-wheel drive was standard. It was a front-engined, rear wheel drive sports car. First The engine of the GT is basically the cu-in.
