Chris Bergman rated it really liked it Sep 05, New research into human and animal consciousness, a heightened awareness of the methods and consequences Well, to us, being soothed during a scary, you know, a scary incident is helpful. Haveyoulookedatcats?Butonedoggotrewardedt看twiceasmuchastheotherdog. Filled with meticulous research, vivid examples and daring conclusions, Chasing Doctor Dolittle will challenge the reader's assumptions and open up new possibilities of understanding our fellow creatures. And allows animals to communicate with us, if we can only understand their intent. Sowegettherebeforesunriseandwegetsetupandthenwewaituntiltheprairie Fauna, Revised. Because the book does not have any pictures, I want my readers to experience visually the magic and beauty of the animals that I discuss in the book.
